Item 7 Monitoring activities, Data Submission Deadlines

Level I/Large scale representative monitoring plots:

- From 2009: Data submission via **online data submission system**, including a new developed validation.
- **Deadlines** for data submission will not change in comparison to former years:
 - Monitoring year **2009: 15/11/2009**
 - Monitoring year **2010: 15/11/2010**

Item 7 Monitoring activities, Data Submission Deadlines

Level II/FutMon intensive Monitoring (IM1+D1+D2+D3):

- **2007** data submission still pending.
- Agreement from the ICP Forest Workshop on Future Forest Monitoring in Europe, Hamburg Oct. 2008:
“Use of the FutMon online submission and validation system also for 2007 and 2008 data!”
- Advantage: Data Submission and validation in **chronological order** allow **time consistency checks** for data of all monitoring years.
- Precondition: the **System** must be **operational!**
- Data Submission will be **year by year** in defined, non-overlapping **time periods**.
- The System will be operational the earliest in Mid of **September 2009**.
